

SPLENDOR™

PRODUCT DESCRIPTION

Clean geometric lines and crisp, natural-looking LED light define the Splendor™ makeup mirror. Its spacious rectangular design, combined with 5X magnification, offers flawless clarity and precision—making makeup application effortless and refined.

SPECIFICATION STATEMENT

Solution shall consist of a rectangular lighted makeup mirror with forward-facing task lighting and corrosion-resistant glass. Mirror shall have 5X magnification with an adjustable view angle. Illumination shall be backlit around mirror perimeter, utilizing energy efficient LED technology. Mounting options shall be either countertop with corded electrical plug or wall-mounted with hard-wiring requirement.

THE ELECTRIC MIRROR ADVANTAGE

- ✓ Global mirror technology leader for over 25 years
- ✓ More installations than all competitors combined
- ✓ Realistic warranty you can believe in and trust
- ✓ Lowest total cost of ownership
- ✓ U.S.-based customer service support
- ✓ 125,000-square-foot American manufacturing facility

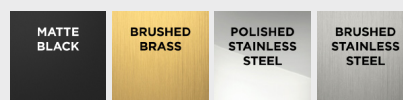

FEATURES AND BENEFITS
